This was done under authority of Sections 49-5-13 and 49-7-31, Mississippi Code of 1972.

Be it ordered that Public Notice Number W8 3174 is hereby amended, and the following 2006-07 wildlife management area hunting regulations are adopted.

**BASIC REGULATIONS FOR ALL WILDLIFE MANAGEMENT AREAS**

**Safety Precautions:** All rules of gun safety shall be observed. Target shooting is prohibited. No hunting or shooting within 200 yards of any building. No alcoholic beverages allowed. Persons intoxicated or careless with firearms shall be expelled from hunts immediately.

**Firearms:** No firearms shall be permitted during the closed season on game birds and animals.

**Primitive Weapons** are those defined by Public Notice LE-2280.

**Forfeiture of Privileges:** If while on a wildlife management area any person violates any rule or regulation adopted by the Commission on Wildlife, Fisheries and Parks, or any game and fish statute, and is convicted for that violation, that person may be required by a review panel of MDWFP officials to forfeit, for a period of one calendar year from the date of conviction, all hunting and fishing privileges on that wildlife management area. In addition, the Commission may revoke, for a period of one calendar year, the person's privileges to hunt and fish on all wildlife management areas within the state. Before the revocation of a person's privileges to hunt and fish on all wildlife management areas within the state, the person shall be given notice by certified mail, return receipt requested, setting out the grounds on which revocation is sought, and the person shall have a right to be heard before the Commission at its next regular meeting.

**All Vehicles** within, entering or leaving a wildlife management area are subject to being checked at roadblocks or checkpoints for compliance with game and fish and/or wildlife management area laws and regulations.

**All Persons Fifteen (15) Years of Age or Younger**, while hunting on a wildlife management area, must be in the immediate vicinity and under the direct supervision of an adult, twenty-one (21) years of age or older, at all times who will be responsible for the minor's actions. During any Youth Hunt for Deer, ALL deer hunters on the area must wear 500 square inches of solid unbroken fluorescent orange.
